IKE REVEALS PLAN TO STEP UP CAMPAIGN

Washington, (P)—President Eisenhower said today he is going to make two or three more major campaign speeches than he had counted on.

Eisenhower told a news conference, however, he is not going to do any barnstorming, and not go out whistle-stopping.

He didn't say when or where the extra speeches, beyond the five or six he originally contemplated, would be made.

As for why he is stepping up his campaign pace, Eisenhower said it is simply because so many representations have been made to him by good friends.

He said he found himself a little weak about not accepting.

And, Eisenhower said, as far as he knows there is no health question involved at the moment in increasing his campaign pace.

Even now, Eisenhower said, he is not going to do a tenth as much as people want him to do.

It was a wide-ranging news conference, developing mostly around political questions and issues in one form or another, but with dashes of foreign affairs sprinkled in.

Eisenhower, garbed in a gray business suit with a vest and wearing a dark blue necktie with two white elephants on it, was unusually late showing up—for him. He was 3½ minutes behind schedule.

The President started off with a tribute to Mrs. Babe Didrikson Zaharias, famed woman athlete who died this morning.

He said she had won the admiration of all the people of the country. He lauded her last gallant fight against cancer and said that everyone feels sad that she had to lose this last battle.

With that, the President opened the conference to questions and the political drumfire started. The first questioner noted that Eisenhower was stepping up his campaign activity beyond original plans and inquired how many more speeches there might be and whether the President felt his health placed "any limitation" on the extent of his campaign activities.

Horses Needed for Old-Fashioned Days Parade

An urgent appeal for all kinds of horses—driving, saddle and draught—was issued today at the office of the Area Chamber of Commerce. The steeds will be needed for the Old Fashioned Days parade to be staged in Warren Saturday morning, October 6th.

Charles E. Tranter, executive vice president, reports that already a large number of antique vehicles such as buggies, surreys, fire carts, etc., have been offered for the parade, but horses will be required to draw them in the procession. Persons having horses that can be used in the project are reminded to contact Parade Chairman Jack Barr by calling him after five o'clock at 3330-R.

Details for the Parade are being worked out, and it is expected within the next couple days the time that it will get under way and the route to be taken will be announced.

F. B. I. Report Shows Crime Rate in Pennsylvania Rising

(AP Special Washington Service)

Washington (P)—Pennsylvania's crime rate in the first six months of this year was considerably higher than that in the corresponding period of 1955.

Over the country as a whole, too, the trend was upward, the FBI reported yesterday.

The report said the urban murder rate in Pennsylvania held constant at 1.5 for each 100,000 inhabitants, but that in nearly all other major crime categories the rate increased.

The figures, prepared for the FBI by local authorities, showed that, nation-wide, the crime rate increased 14.4 per cent in the first half of this year. Statistics for the like period of 1955 showed a slight

Civic Farewell for Well Known Salvation Army Workers Here

A Civic Farewell was tendered Major and Mrs. Charles Schaffer (center front) yesterday noon at a Kiwanis Luncheon-Meeting. Flanking the Schaffers in the front row are Col. Paul Seiler and Mrs. Seiler. He commands this Salvation Army territory from Pittsburgh. Back row are: David Potter, SA Board member; Burgess William E. Rice, and Kiwanis president, Dr. L. J. Berger, all of whom spoke warmly of the Schaffer's work during their 10½ years in Warren. Photo by Stokes.

Civil Rights Is Nixon Topic In Kentucky Talk

Louisville, Ky., (P)—Vice President Nixon reserved for this city south of the Mason-Dixon Line today his first "major" public speech on civil rights.

He headed his airborne campaign tour into the Bluegrass State's metropolis after an attack last night at Kansas City, Kan., on Adlai Stevenson and an earlier call for "a change in the hearts of men" to solve the problems of integration.

The GOP's campaign "workhorse" schedule two speeches here today before flying to Springfield, Ill., for a night meeting.

Before departing from Kansas City on the flight here, Nixon received what his press secretary James Basset described as an encouraging telephone call from President Eisenhower.

The President wanted to know how his chief campaigner's health was holding out. Nixon was slowed down earlier this week by an attack of influenza and laryngitis.

Nixon reported he was feeling much better but tired. He said he (Turn to Page Eight)

Sen. Gore Determined To Probe Campaign Spending

Washington (P)—Sen. Gore (D-Tenn) said today he plans to give the nation this year its first current picture of how much money is being spent in a national election campaign and where it is coming from.

Gore, chairman of the Senate Elections subcommittee, told newsmen public hearings will be held in Washington, set for Oct. 8, 9 and 10.

National campaign committees of both parties and their subsidiaries will be asked to give a full accounting for the month of September, the period when they arrange much of their financing for the campaign.

Called a "Salvationist of the old school" by his territory commander, Major Charles Schaffer and wife, Major Mildred, were tendered a civic farewell yesterday noon at a Kiwanis testimonial dinner-meeting in YWCA.

The Captain's commander, Col. Paul Seiler of Pittsburgh, in his words of praise for the retiring officer of the Corps, said that Major Schaffer was a "Salvationist who would stand on the street and beat the drum for the honor and glory of God. . . The Major was available 24 hours a day, and could be seen giving a cup of coffee to a flood disaster worker or feeding a cold, hungry fireman on the job."

Perhaps the latest such task performed by Warren's Disciple of the Corps was when he stood by at the \$500,000 blaze of Kay's Warehouse in Youngville, feeding an estimated 100 firemen. It is Major Schaffer's wish that even after his retirement takes effect on October 12th, that he may be allowed to continue his community services of this sort.

Dr. L. J. Berger, Kiwanis president, opened the meeting yesterday by welcoming the more than 100 members and about 20 guests from Warren's Salvation Army Corps and the territorial office in Pittsburgh. Major Schaffer gave the invocation.

David Potter, a member of the Salvation Army board, spoke briefly and Burgess William E. Rice delivered the civic address, thanking the Major for his multitude of duties performed selflessly for the ten and a half years he has commanded the local unit. He extended the well wishes of the community and it was pointed out that Warren was pleased to be chosen as the future home of the (Turn to Page Eight)

'Big Business' Target of Democratic Candidate

York (P)—Joseph S. Clark, Democratic candidate for the U. S. Senate, says the Eisenhower administration feels small business is "obsolete."

"And they think there is nothing that can be done about it," Clark told a political rally last night.

"The Republican party sincerely believes in government of big business and for big business," Clark said.

"Clark referred in part to Defense Secretary Wilson who at one time headed the General Motors Corp.

"When Eisenhower decided to name a committee to look into ways of aiding small businessmen, he named Wilson, Commerce Secretary Weeks, and Treasury Secretary Humphrey," Clark said.

Earlier, Clark told another political rally in York that Republican policies are a threat to the future of every Pennsylvania farmer.

MASS TRIALS

Berlin, (P)—Communist Poland today began the mass trials of more than 50 persons accused of taking part in the Poznan "bread and freedom" riots.

The 12 defendants face possible death sentences.

Estes Staging Motorcade In Illinois Today

Belleville, Ill., (P)—Sen. Estes Kefauver said today the Democrats are pledged "to save the small farmer and the small businessman." He said the existence of both is threatened by the Eisenhower administration.

This was the message the Democratic vice-presidential candidate took with him as he set off for a 250-mile motorcade through 10 towns in southern Illinois, starting here.

Kefauver contended in his prepared speech for a rally in the courthouse square here that "the Eisenhower-Nixon administration has been indifferent to both the small farmer and the small businessman."

Hitting hard at the President's farm speech in Peoria, Ill., Tuesday night, Kefauver said it was "loaded with misstatements, with distortion, and—very sadly indeed—with outright misrepresentation."

Teen-Age Drinking In Allegheny County Scored by Jurist

Pittsburgh (P)—A Beaver County judge has suggested that the district attorney of Allegheny County make a thorough investigation of teen-age drinking.

Judge Frank E. Reed, sitting in Allegheny County Criminal Court, made the statement yesterday after a 19-year-old youth was convicted of violating state liquor laws and contributing to the delinquency of a minor girl.

The youth, Dale McCaully of Penn Twp., also pleaded guilty to a morals charge involving the 16-year-old girl.

The girl had testified she and the boy met in one tavern and later visited two others.

Judge Reed, speaking in court after the verdict had been announced, said:

"The court is shocked at the brazenness of the testimony of the defendant and the victim. There should be something done about establishments where intoxicating drinks are sold to teen-agers."

Candidates To Appear In Pennsylvania With Adlai

Harrisburg (P)—Adlai Stevenson, Democratic candidate for president will be accompanied by Gov. Leader, Lt. Gov. Furman and state and local candidates and local candidates when he tours Pennsylvania next Wednesday by special train.

Stevenson is scheduled to arrive at Scranton at 8 a.m. and will leave Johnstown for West Virginia at 10 p.m.

COUNCIL TO DEBATE BOTH COMPLAINTS

United Nations, N. Y. (P)—voted to debate conflicting West-The U. N. Security Council has ern and Egyptian charges on the Suez dispute after U. S. refusal to go along with the British-French attempts to throw out the Arab complaint.

The United States voted with six other countries, including Russia, to include the Egyptian complaint on the council agenda. Britain, France, Australia and Belgium abstained.

The Suez debate will begin late next week, probably Tuesday or Friday.

The Egyptian complaint charges Britain and France with actions threatening world peace. The British-French charge protests against Egyptian nationalization of the Suez Canal Co.

U. S. Delegate Henry Cabot Lodge Jr. said the United States wanted to see that all points of view were heard. He said this did not imply support of Egypt's charges.

Prime Minister Eden and British Foreign Secretary Selwyn Lloyd are conferring in Paris with Premier Guy Mollet and Foreign Minister Christian Pineau on united action over the Suez crisis. Both governments agree Egypt's seizure of the waterway cannot be condoned and that international control of the Suez must be guaranteed.

The British and French are expected to call on the council to recommend international control of the canal, along the lines agreed on by the 18 major users at the London conference last month.

Tito Making Surprise Visit to Soviet Union

Belgrade, Yugoslavia (P)—President Tito left today with Soviet Communist party boss Nikita Khrushchev for a surprise visit to the Soviet Union.

Tito was accompanied by his wife Jovanka, Vice President Aleksander Rankovic and Djuro Pucar, chairman of the state of Bosnia-Herzegovina and a member of the Yugoslav Communist party Politburo.

Like Khrushchev's equally unexpected trip to Yugoslavia, Tito's latest visit to Russia was described as a vacation. The official Yugoslav news agency Tanjug said the party left the military airport of Batjnica on a special Soviet plane this morning and will spend several days resting on the Black Sea coast.

New Tropical Storm Is Blowing Up in Atlantic

Miami, Fla. (P)—A new tropical storm formed in the Atlantic today and began moving westward under conditions which are "right" for the birth of a hurricane.

A bulletin from the Weather Bureau in San Juan, Puerto Rico, said the storm had a "weak circulation" with highest winds of 25 to 35 miles per hour blowing around a center.

It was located 250 miles east of the Windward Islands, or about 1,630 miles southeast of Miami.

The storm was discovered as Hurricane Flossy, sixth tropical disturbance of the year, moved through North Carolina after a long voyage from the Gulf of Mexico.

Dem. Commissioner Replies To Letter From Local Attorney Charging Neglect of Duties

Minority Democratic Commissioner Lewis Crippen in a radio statement today left no doubt that he would turn down Attorney Samuel Bonavita's invitation to resign.

Answering two letters to Times-Mirror editor which suggested that the Minority Commissioner's resignation be submitted because he spent too little time in office, Crippen pointed out in his statement that in other seventh class counties, Commissioners work only from six to 15 hours a week.

Then, asking why "a Commissioner's effectiveness is judged primarily on the number of hours he spends with his feet under a desk?", Crippen went on to question Bonavita with the following:

"Mr Bonavita allows us to assume that he is acting in

the interests of the public. Where was Mr. Bonavita during the years and years that former County Commissioners dabbled with the assessing program even after the state statutes had outlined certain procedures? Where was Mr. Bonavita when the Commissioners used insurance business for political payoffs? Where was Mr. Bonavita when the Commissioners delayed proper maintenance of the County's buildings and piled up the costs for this administration? Where was Mr. Bonavita when action was taken to purchase the courthouse annex, which ultimately cost the taxpayers approximately \$40,000 exclusive of maintenance and overhead, instead of using the available space in the original building? Why does Mr. Bonavita consider the number of hours spent with-

Truman Lauds Adlai Speech In Kansas City

Kansas City, Mo. (P)—Adlai E. Stevenson, scrapping hard right under Harry Truman's nose, accused President Eisenhower last night of "consistent rejection of the positive responsibilities of leadership."

With the former President smiling approval, Stevenson told a cheering overflow audience in the 2,300-seat music hall of Municipal Auditorium:

"There is only one question to be asked about the Eisenhower administration. That is: 'Who's in charge here, anyway? Who in this business man's administration keeps the store?'"

Only last month at the Democratic National Convention Truman fought to keep the presidential nomination from going to Stevenson. Truman called Stevenson a "defeatist" then.

Last night, in the heart of Truman's Missouri stamping grounds the former President introduced Stevenson as a man with the "ability and experience" required for the White House.

Then Truman sat and beamed as Stevenson ripped into the Eisenhower administration and fired sharp criticism at the President himself. When Stevenson concluded, Truman told newsmen:

"It was an excellent speech—right down the alley."

Stevenson carries his campaign across the Kansas River to neighboring Kansas City, Kan., for a speech at the Wyandotte County Courthouse today, then flies on to St. Louis for a major address tonight.

Last night, Stevenson spoke of Truman as a "strong president—a man who rose with all the Missouri toughness that is in him to meet the greatest responsibility on earth."

U. S. Facing a Record Crime Year Hoover Says

Washington (P)—The United States may be in for a record-breaking 2½ million major crimes this year, FBI Director J. Edgar Hoover said today.

Hoover reported in the bureau's periodical Uniform Crime Reports that such crimes during the first six months of 1956 are estimated at 1,291,120, a 14.4 per cent increase over the same period last year.

Noting this marks a sharp reversal of the slight dropoff in major crimes during 1955, Hoover said if the trend continues, 1956 will be the fifth consecutive year in which more than two million major crimes will have been reported and the first year in which the total will reach the 2½ million mark.

ATOMIC BLAST

Canberra, Australia, (P)—Britain exploded an atomic weapon today at its new Maralinga proving ground in Australia. The Maralinga tests had been held up for several weeks because of bad weather.

CALL TO HALT GUNFIRE HAS QUICK RESULT

Jerusalem (P)—An uneasy calm hung over the Israeli-Jordan border today after a brief new flareup of gunfire in this divided city.

A U. N. cease-fire appeal brought the short blaze of automatic weapons to an end last night with no casualties reported. It came less than 24 hours after a bloody Israeli strike into Jordan set off a round of intensive talks among Arab leaders.

An Israeli army spokesman said the gunfire continued intermittently for about an hour and was the work of snipers in the Jordan-administered "Old City" of Jerusalem, shooting into the Israeli sector. He claimed there was no firing from the Israeli side.

U. N. truce observers reported that both Israeli and Jordanian forces immediately obeyed their call to halt last night's exchange in Jerusalem. But Jordan authorities hinted that large-scale Arab counteraction might be in the making unless the U. N. Security Council moves to stop such raids as the Tuesday-Wednesday overnight attack in Jordan's Husan area.

In New York, U. N. Secretary General Dag Hammarskjöld called in representatives of Jordan, Israel and the Big Four powers for separate talks. He said he would ask the Security Council to act if the situation is not brought rapidly under control.

The attack at Husan, six miles southwest of Jerusalem and 2½ miles inside Jordan's border, was officially described by Israeli authorities as a warning against Arab "aggression" which the Israelis said had killed 36 of their people in the last six months.

The latest outbreak brought crisis consultations in Arab capitals. Syria's Premier Sabri Bishara said in Damascus a general conference of all Arab heads of state was being considered.

King Hussein, Jordan's 21-year-old ruler, received envoys of other Arab nations at his palace in Amman and declared he would defend every inch of his territory.

Federal Housing Commissioner Only Bidder for Warren Apts.

It took six and one-half minutes this morning for a Federal Housing Commissioner representative to bid on and buy back the Warren Apartments, 209 Market street.

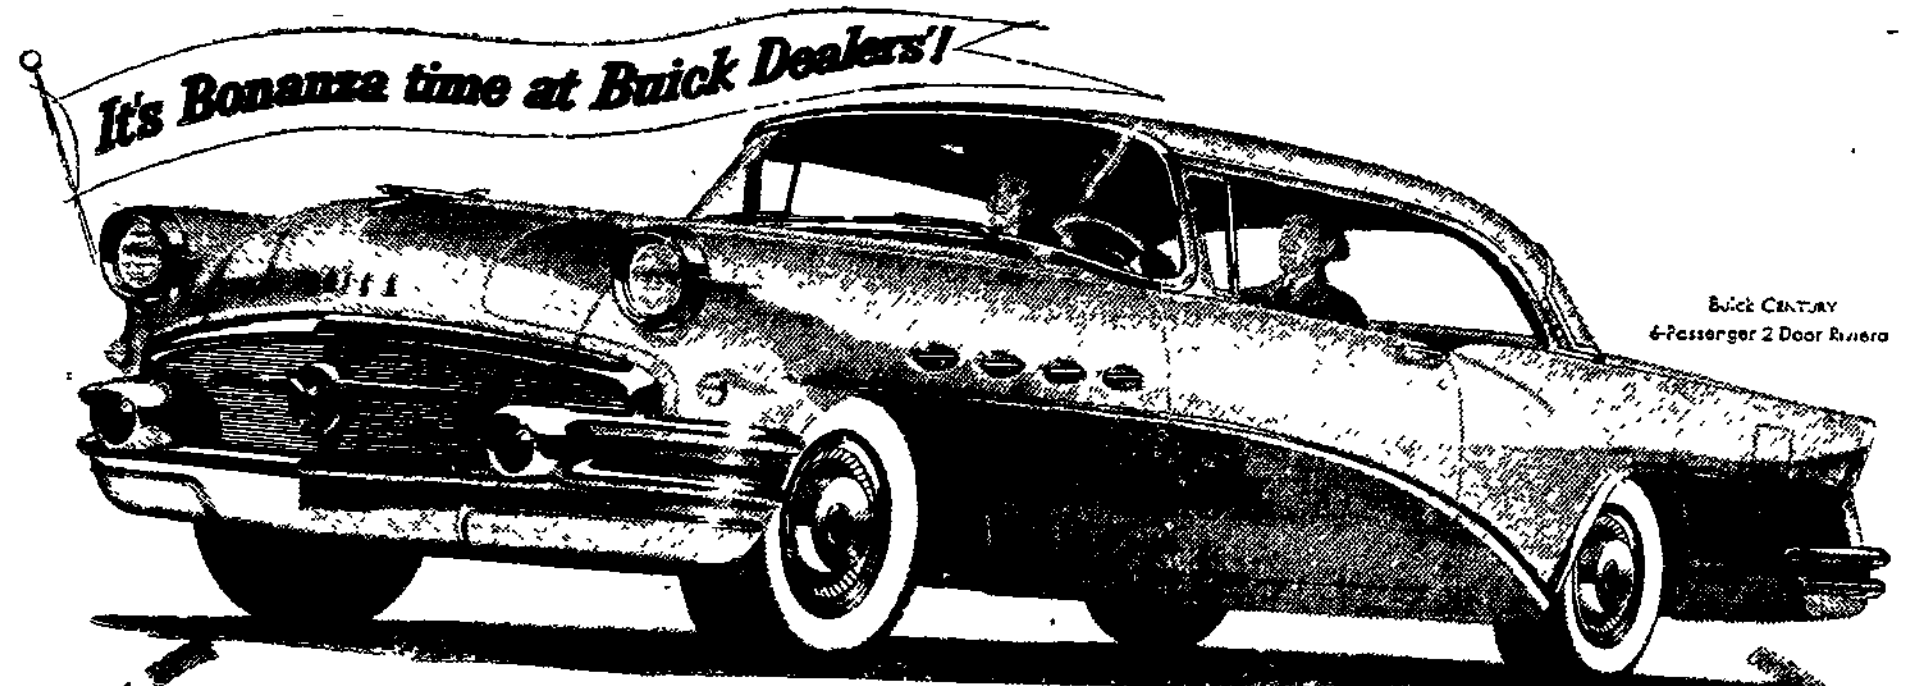

Only bidder was the government which offered \$288,000 for the real estate and building, and another \$7,500 for property such as 50 stoves, 50 refrigerators, a box and a half of light bulbs and a short handled broom.

U. S. Marshal Al DiMeolo read the list of property and asked for bids. Sidney Rosenbloom, representing Federal Housing Commissioner Norman P. Mason, was the lone bidder.

A group of 13 interested Warren citizens faced four government representatives during the sale which was conducted at 10 this morning on the front lawn of the apartment building.

Following the government's formal repossession of the building, an agent made a survey of the premises with a view to future improvements. At present the building is at its highest percentage of occupancy since completion, with about 80 per cent of its 50 apartments filled.

A reliable source said the real estate firm of Redding and McIntyre would assume full management of the building in the future.

Titusville Herald: Residents who move about Northwestern Pennsylvania next month are going to have a confusing time—telling time. Titusville and Meadville are scheduled to change back to Eastern Standard Time at 2 a. m. Sunday, while the other larger communities in the section will remain on Daylight Saving Time until Oct. 28. Titusville Council back in April decided to end "fast time" on Sept. 30 because it made it too dark for children going to school in the morning in October if it were extended. City Clerk George W. JOKE BACKFIRES

Titusville Herald: A practical joke by a 17-year-old local youth with a criminal record backfired here yesterday when an explosive-loaded cigarette blew up in the face of a city employee, burning him severely. His eyes burned as long as two hours after the incident and he could not focus on small objects such as the hands of a clock. He was told to report back to his doctor for further treatment. The practical joker, who only recently was released from George Junior Republic, was picked up by local police and later released in the custody of his parents. He was ordered to report back to police at 10 a. m. today and his mother was told to pay the doctor bills. Police Chief Albert P. Warren Borough Is Cited for Type of Annual Reports

Warren is among 22 local governmental agencies in Pennsylvania that have been cited for an outstanding job done in preparing annual reports, according to a special release from University Park today. Warren borough appears in the list of nine towns receiving honorable mention. Westerville, Erie county, is the only other district community.

The awards will be presented at the 21st annual meeting of the Local and Municipal Finance Officers in State College October 5 and 6. Regarding the contest the article says:

Lee E. Corter, municipal representative of the Institute of Local Government at the Pennsylvania State University, today revealed the list of boroughs, cities, townships, counties, and special authorities that will receive awards in the 5th annual Modern Municipal Report Contest.

The contest, sponsored each year by the Institute of Local Government, was devised to improve

the system municipalities use in reporting to their citizens.

Corter points out that the annual report should be an important media of information for citizens of a community, but too often it is lengthy, uninteresting, and difficult to understand.

It should be clear, brief, and interesting; it should interpret columns of statistics and financial information so anyone can understand them; and it should tell the kind of story which establishes public confidence in administration and stimulates people to take an active part in municipal affairs.

Judges for this year's contest are Mrs. Pan Dodd Wheeler, of the University of Tennessee, who is executive director of the Government Public Relations Association; Joseph Loughlin, commissioner of finance for the state of Connecticut; and Dr. A. Miller Hillhouse, professor of finance at Cornell University.

FIRST COIN

First legally authorized coin minted in the United States was the larger copper cent of 1787 called the "Fugio," or "Franklin cent." It bore the motto, reputed to have been suggested by Benjamin Franklin, "Mind Your Own Business."

Youngsville Lady Gray Rebekahs To Install Officers

Youngsville—At the regular meeting of Lady Gray Rebekah Lodge, held in the IOOF hall, plans were completed for installation of officers on October 17.

A social hour followed the meeting, with cards enjoyed and prizes going to the following ladies: for canasta, Bertha Dyer, high and Sagrid Johnson, low; five hundred, Ethel Tuley, high and Edys Wimer, low. Delicious refreshments were served by the hostesses, Mrs. Betty Knapp and Mrs. Vella Dyke.

After the business meeting, cards were played, with high prize going to Lois Johnson, second high to Mabel Chipman, and consolation to Donna Agnew. Delicious refreshments. The next meeting will be held October 29 at the home of Mrs. Mabel Chipman, with Mrs. Melva Richards assisting.

Gift Presentation Of Memorial Flag To Eisenhower High

A report from Harold Landin, principal of General Dwight D. Eisenhower High School, announces the school has received a beautiful American flag as a gift from the family of the late Clifford L. Spangler, veteran of World War I.

The banner was originally presented to the Spangler family by the United States government in recognition of the service he had performed as a member of the armed forces and the family has elected to bestow it upon the new high school as a public memorial gift.

This is the fourth memorial-type gift the Northern Area Joint School System has received for its new structure, three others having been given specifically to the library in the form of money donated by family friends in memory of Mrs. Joanne Shaffer Gluppo, Bert Fox and Frank Lounsbury. The school acknowledged all four gifts with deep appreciation, stating they will be used in such manner that their significance will be made known to the public.

HIGH SCHOOL NEWS

The following very interesting new biographies have been placed in the high school library: "Jean Henry Dunan", founder of the Red Cross; "The Life I've Led" by "Babe" Zaharias, telling of her love of golf.

Monday night after school, our J-V's played a swell game, defeating Titusville by a score of Warren 27-Titusville 13.

The Future Homemakers of America have elected the following officers: Margaret Bailey, president; Sally Toner, vice president; Carol Wilson, secretary; Judi Barnhart, treasurer; and Barbara Mihalco, historian. New members will enroll in their home-making classes within the next week. Any other girls who wish to join the club should contact any of the new officers or Mrs. Whitehill. The officers are planning a special meeting for all members, old and new, Monday, October 8th, at 7 p. m.

Yesterday, the Warren High Dragon Band elected its officers. They are president, Ann Wendelboe; vice president, Harry Brookner; secretary-treasurer, Sue Swanson; librarians, Larry Olson, Betty Alexander, Steve Cruckshank; and Bob Yerg.

Mr. Kaufman, advisor of the Spanish Club, has announced the new officers: President, George Rasmussen; vice president, Joe Masci; secretary, Joan Smith; and treasurer, Jim Hewitt.

QUESTIONS AND ANSWERS
Q. I'm planning to sell the home I bought with a GI loan. If the buyer takes over my loan, do I remain liable in case he defaults and the loan is foreclosed?
A. Not necessarily. Under a new law, you may be relieved of liability if the buyer takes over your loan. He must assume full liability on the loan; VA must approve his credit; and the loan must be current.

Q. I understand that I have 120 days from discharge to get Korean GI term insurance. Will my 120-day deadline still apply even

though the law says no new policies may be issued after December 31, 1956? My 120 days would carry me beyond that date.

A. You would not have the full 120 day period to obtain Korean GI term insurance. You would have to apply and pay your first premium before December 31, 1956—even though that gives you less than 120 days to act.

Q. A young man I know is eligible for schooling under the War Orphans Education program. He's still in high school. Would he be allowed to finish his regular high school education under the War Orphans program?

A. No. The law prohibits regular high school training. Below-college-level schooling is allowed only when it is specialized vocational training that will fit a student for a vocational goal.

Q. When I went back on active duty, I surrendered my permanent plan of GI insurance for cash, so that I would be covered by the free \$10,000 death indemnity. Since indemnity coverage ends December 31, 1956, I will lose my coverage. Is there any way I can get back my permanent GI policy?

A. Under the law, you may obtain a new permanent policy of the same kind and amount as your surrendered policy—but at premium at your present age. Or you may reinstate your surrendered policy by paying the required reserve and the current month's premiums. You may obtain this insurance while in service or within 120 days after your discharge. You could arrange for the insurance to take over when the free indemnity expires.

STOCK MARKET JITTERS

According to Sam Dawson, in his "Business Mirror," a daily feature written for The Associated Press "stock market jitter" appear to be confined largely to brokers' boredom.

Dawson concludes the public—according to government statistics—hasn't let the uncertainty change its habit or plans. The public continues to step up its total spending, cutting back only on such things as autos, houses and stocks.

And businessmen have stretched their spending and borrowing plans once more. Neither higher prices nor steeper interest charges appear to have deterred the consumer or the industrialist.

The farmer is also getting a reassuring pat. The Agriculture Department looks for production of livestock and its products to increase enough to offset slightly lower crop output and expects prices to be fairly stable on a seasonal basis.

Industrial production snapped back sharply in August from the July slowdown due to the steel strike. The department looks for the increased pace to continue the rest of the year. The retail and industrial steps are keeping the labor market strong.

Where some of the money is coming from for all this spending is shown in a report by the National Association of Mutual Savings Banks. Depositors last. Others have continued to put in more money have been withdrawing more money this year than so that total deposits are higher, but the rate of increase is less than a year ago.

Announcement in a first page article in Wednesday's issue that the Warren County Central Labor Union, organized about two months ago, will hold its formal Charter Presentation dinner Saturday evening in Pleasant Township firehall, revives memories of former years when this community boasted such a group that functioned most actively. Looking back over some of the old-time directories, for instance, we find in the one printed in 1904, there are over a dozen Labor Unions listed under that department. The Central Labor Union, which was organized in 1901, met in a hall over 308 Second avenue Officers at that time were: W. R. McKinney, printer; president; vice president, C. W. Bernstein, plumber; secretary, H. C. Brunne, tailor; treasurer, Emil Amann, plumber; trustee, John F. Masterson, barkeeper, Charles Peterson, tailor; Frank McClellan, printer. McClellan, incidentally, was organizer for the Council. Unions affiliated at the time were: Amalgamated Sheet Metal Workers; Barkeepers; Bricklayers; Brotherhood of Painters, Decorators and Paper Hangers of America; Cigar Makers International Union; Journeymen Barbers; Journeymen Tailors; National Association of Letter Carriers; Retail Clerks International Protective Association; International Molders Union of North America; International Typographical Union of America; United Association of Plumbers and Gas Fitters; United Brotherhood of Carpenters and Joiners of America. The 1924 directory lists the Central Labor Union as meeting in S. F. of A. Hall the first and third Mondays of each month. Wayne D. Rapp was secretary, and F. P. Caro, well known barber of his day, was treasurer. Listed under the unions of that day 32 years ago were the Cigarmakers, Barbers, Tailors and Printers.

According to a release received from the Chautauque County Historical Society, of interest to members of the local organization, Judge Lee L. Ottaway, Jamestown, will tell of the town of Mina as it used to be, at the fall meeting of the Chautauque County Historical Society, village fire hall, 12:30 p. m., Saturday, October 6. Dinner will be served by ladies of Fern Rebekah Lodge of Pindley Lake, who are noted for their fine dinners. Judge Ottaway was reared in Mina, and was conscious of its story, of the personalities who made the community, and has a store of little known facts regarding this important section of Chautauque county, which he will recall. Judge Ottaway has spoken in previous years, and will be welcomed again by a highly appreciative audience. Mrs. Laura VanSickle, secretary of the Historical Society, is chairman of the Pindley Lake committee. Gustavus Bentley, Jamestown, is president of the Society.

FAMILY AFFAIR

Pratt, Kas. (AP)—When Arlene Johnson was wed to H. Dean Johnson at the Pleasant Hill church recently, the ministers who read the vows were her father, the Rev. Calvin Johnson, and her grandfather, the Rev. Levi Johnson. The groom's parents, Mr. and Mrs. Harry R. Johnson, were among those present.

They're all from the Byers community.

Sugar Grove Post Is Cited for Child Welfare Activities

Sugar Grove—The local American Legion Post No. 758 has received a special citation for "most outstanding work in child welfare in the 28th District", the document signed by National Commander Wagner, with the national child welfare chairman, George Ehngler, and other officers.

The certificate was given for outstanding service to children and youth of the community, the Legion and Auxiliary having sponsored Christmas and Halloween parties; an Easter Egg Hunt; the Rifle and Drum Corps, which is under the direction of Jack Shannahan of Jamestown and has marched and received prizes at Sharon, Meadville, Albion, Tidioute, Thorl (Canada), LaSalle (N. Y.), Youngsville, Falconer, Jamestown, and other places.

Plans are already being made to march next season at the District convention in Warren and the state gathering in Harrisburg. The organization will welcome new members between the ages of 11 and 16 years. Practice sessions are held Tuesday evenings at the Legion Home.

The Post has voted to offer a \$100 paid up life insurance policy for 1957 to all members whose dues are paid before November 11. The membership drive will start October 1st and new members will be initiated November 1st. Senior Vice Commander Harold Hodges is chairman for the membership drive.

Alden Stearns, district vice commander, assisted in installing officers for Venango county at Oil City last Thursday night.

THE GOOD OLD DAYS—Things were wonderful then. They had no power brakes, power steering, or power ash trays, and they got there just the same. The trip was more exciting, too, because anything could happen and usually did. If a tire didn't blow, perish the thought, one could get stuck in the mud, an embarrassing occurrence which required the pulling power of old reliable, the horse, or, worse, one could run out of gas, and gas stations were few and far between. The Retailers Committee of the Chamber of Commerce has issued an invitation to all area residents who have horse and bug-gies to enter them in the Old Fashioned Bargain Days on October 4, 5, and 6th. Owners of antique or old model cars are also invited to participate for prizes. Time and place of judging will be announced later. MRS. DONALD L. GHERES

—Kelley Photo

First Methodist church in Bradford was the scene of a lovely wedding September 22, when Nancy Lou Hanes, daughter of Mr. and Mrs. Ivan Pytcher Hanes of Duke Center, became the bride of

Donald L. Gheres, son of Mr. and Mrs. George Gheres, 79 Buena Vista boulevard, Warren.

The double ring ceremony was performed at 3:00 p. m. by the Rev. Albert Hillard, of Duke Center First Methodist church, in a setting of palms, white gladioli and candelabra holding white tapers. Robert Greeley, Bradford, was at the organ; Mrs. John Sue, Allegany, N. Y., sang "O Perfect Love," "One Alone" and "The Lord's Prayer."

Escorted by her father, the bride was beautifully gowned in thread embroidered nylon tulle over satin, with fitted basque waist and very full floor length skirt. Narrow satin banded the neckline to form a mandarin collar, also cuffs for the billowing push-up sleeves. A tiara of sequins held her elbow length illusion veil and her flowers were a cascade of white roses and ivy.

Attendants were the bride's cousin, Cathy Bromley of Bradford, as maid of honor; another cousin, Mrs. Gene ZaZndi of Allegany, and Janet Highfield of Duke Center, bridesmaids. They wore identical gowns of cotton blue crystalite, with basque waists and matching stoles about the low necklines. Caps of matching crystalite held brief embroidered veils and they carried yellow

and bronze pom poms with autumn leaves.

Completing the bridal party, Martin Kittner of Warren was best man; ushers were William and Wilbur Nordine, also of Warren.

Mrs. Hanes wore blue-gray taffeta in a two-piece street ensemble with navy accessories, and Mrs. Gheres wore matching accessories with a blue street length suit, each having a corsage of pink rosebuds. The grandmother of the bride, Mrs. Grow of Duke Center, wore dusty rose lace, black accessories and white carnations.

The reception followed in the church parlors, single candlesticks flanking the four-tiered wedding cake, which was topped with miniature bride figures and encircled with ivy and white pom poms.

Out of town guests were from Buffalo, Troy, Allegany and Wellsville, N. Y.; Canton, O.; Hallendale, Fla.; Warren, McKeesport, Philadelphia, Pleasantville, and Centerville.

Following a wedding trip through the Adirondacks, the couple will reside at 87 Buena Vista boulevard, Warren. The bride traveled in a brown sheath dress, with matching accessories, and corsage of white roses.

The bride is a graduate of Otto Junior-Senior High School and Bradford Hospital School of Nursing; Mr. Gheres is an alumnus of Warren High and is employed at National Forge after four years' service in the Air Force.

Clarendon WSCS Outlines Goals at Initial Meeting

Clarendon—Mrs. Charles Schneider presided at the September WSCS meeting in the church parlors, all singing "O For a Faith" and Mrs. Mervin Campbell leading in prayer.

Mrs. R. O. McBride, devotional leader, had as her theme "The Spirit of Christ—For All of Life," with soft music played by Mrs. Clayton Simpson. Mrs. McBride giving the call to worship, a hymn, "The Holy Spirit," and unison prayer.

The program was in charge of Mrs. Campbell, secretary of missions, opening with an interesting quiz on questions from The Methodist Woman. Several general topics considered included segregation. Mrs. Campbell also mentioned the fine tribute to missions given by Oral Roberts at the close of services in the Philippines and televised.

Quadrennial goals were given, discussed and shown on the screen for emphasis: 1. Personal Dedication. 2-5. The Church, Local and World. 3. Educational Institutions. 4-6. The World Mission of the Church. 7. Christian Action. Favorite hymns for each goal were named by members and the program closed with the hymn "God of Grace and God of Glory."

During the business meeting, members were reminded of World Day of Prayer to be observed in October; Mrs. Hag, secretary of supply work, presented the "askings" for the year and an order was drawn to pay all such cash gifts. There was also a reminder that good used clothing for adults and children of all sizes is to be brought to the next meeting for sending to Puerto Rico.

A light lunch was served by the hostess, Mrs. McBride, assisted by Mrs. Campbell and Mrs. Warren Miller.

The next meeting will be held at 8:00 p. m. October 16 with Mrs. Frank Nelson in charge of devotions and Mrs. Raymond Haag the program leader.

If Wife Plans to Work
Set a Definite Time Limit

WHEN a woman says she plans to work "a while" after marriage, how long does she mean? Does she mean until her husband has finished his education? Does she mean until the first baby arrives? Does she mean until she gets tired of working and is ready to settle down to being a full-time housewife? When she and her husband agree it would be a good idea for her to work "a while" after marriage a wife usually has some such stopping point in mind.

But all too often the point keeps being moved farther and then farther into the future.

The wife who decided to work to help her husband get through school decides to go on working until he gets a "start" in his business or profession.

THOSE DATES KEEP RECEDING

THE wife who meant to work only until the first baby came along finds that she and her husband keep putting off the date when they can afford to start a family.

The wife who is going to quit when she gets tired of working often becomes so used to an office routine and the independence of a pay check that "staying at home all day" looks less appealing as time goes on.

Any couple marrying today and planning for the wife to work "a while" ought to face the fact that "a while" is too vague a milestone.

It's much better if they will set a definite time when the wife is going to quit work.

Then they won't drift along getting used to two pay checks, used to two careers, used to the whole set-up of a two-breadwinner home.

Calvary Baptist Special Events

Sunday will be Promotion Day in Calvary Baptist Sunday school and special assemblies are planned in each department, as well as the presentation of Bibles to primaries being promoted to the junior department. This will take place during the morning worship and will be handled by Pastor Paul Obinger.

Special assemblies in all departments will be the order of the day and souvenirs will be distributed by the receptionist at the Sunday school entrance and vestry door.

Monday evening, October 8, the Fall Attendance Campaign will officially get off to a fine start, when workers and committee members will gather for a kick-off dinner and work out final plans for the six-week concentrated attendance effort October 14-November 15.

The Rev. Allen Oyer, West Mifflin Baptist church, was guest speaker at Calvary's morning worship last Sunday.

in the courthouse as the extent of a Commissioner's responsibilities?"

The catechism completed, Crippen pointed out his own record as follows:

"Now, let's see what has been done since January 1st (when Crippen took office). There have been a few more than fifty meetings of the Commissioners at which decisions were reached and recorded. I was in attendance at every one of those meetings. Literally dozens of loans have been authorized from the Hoffman and other County funds. I, with the other two commissioners, examined every piece of real estate before the contracts were completed. I have devoted hours of my time with direct aid and assistance to the Children's Aid Society and they have informed me that I'm the first County Commissioner to work actively with them. I, personally, developed the first draft of the budget and, with the cooperation of the others, placed in it the necessary expenses and no more. I cast the deciding vote which lowered the tax rate by one

DECLARES STATEMENT EVADES THE ISSUE

After hearing the broadcast Attorney Bonavita issued the following statement:

"In my letter of September 19, 1956, I charged that Minority Commissioner Crippen was not spending the time necessary in performance of duties as Commissioner.

"I have heard Mr. Crippen's answer to my charge which is the only charge that I made. Mr. Crippen has issued a political tirade but has failed to answer the charge.

"Further, it is an absolute falsehood that my letter of September 19, 1956, was inspired by or written in conjunction with members of Mr. Crippen's party."

mill. I've spent hours and hours hearing assessment appeals and investigating to determine their merits.

"Insurance has been purchased on quality and price rather than political purposes. Pay scales have been increased for County employees and responsibilities have been re-evaluated. A mapping program which will include all the properties in Warren County has been started, in accordance with law, and at my insistence the work and wages have been kept with the County at a lower cost than had been estimated by the previous boards. And, by the way, Mr. Fuellhart (civil engineer in charge of the project) has developed a wonderful system which shall be the pride of our citizens."

Then Mr. Crippen swings to future plans: "I propose that . . . Commissioners approve the establishment of a county library and bookmobile service . . . that Com-

missioners resign Warren wards for better voting service . . . that Commissioners appoint airport and county planning committees . . . these are only a few . . .

How did the issue originate? Crippen asks: Why-why-why do a former chairman of Warren County Democratic Committee (Mike Papavero) and a former president of Pennsylvania Young Republicans (Bonavita) have and use the same source of information? (Here Crippen refers to the other letter printed in the Times-Mirror and presumes it was submitted under the guidance of Papavero).

Crippen continues: "For one thing, Mr. Bonavita has a well-known desire for publicity. In this instance with (sic) Republican bigwigs in town he tied his kite to what proved to be a lead balloon and tried to launch it with his own hot air." Crippen suggests a coalition of Dems and Reps is trying to oust him: "Since January 1, 1956 when Blain Mead, L. L. Johnson and myself were sworn into office, the Republican party has lost control it had enjoyed for all of my life time . . . Pre-election maneuverings were unsuccessful and the public elected a pair (presumably Mead included) who are indebted to no Republican favoritism and who serve all of the county citizens rather than a privileged few. By forcing the resignation of the minority Commissioner, and with the subsequent appointment of a conformist, the Republican leaders could again make strong suggestions as to how the county office shall be conducted. Having been engaged in a Democratic interparty struggle, I have alienated some members of the Democratic County Committee to such an extent that they would willingly give the office back to party bosses in an effort to gain revenge. To listen to their senseless pratings would be to sacrifice the independent spirit of the office now enjoys and accept again the one-party domination which prompted derisive references to the 'Courthouse gang'." (unquote).

Crippen goes on: " . . . A few contacts I have had with Sam . . . are enlightening now." Before the Commissioners were sworn in after election, "Sam contacted Blain Mead and advised him that he heard that we contemplated replacing Solicitor Scotty Calderwood with Richard Leuthold. He (Sam) then stated, according to Mr. Mead, that if a change was imminent we should appoint either Harold Hampson or himself because Mr. Leuthold had never done anything for the Republican Party. Shortly after we completed the annual budget and reduced institutional district mileage, Sam met me in the Savoy (Liberty Street meeting place of political wheeler-dealers) and criticized Commissioners for lowering the mileage. At that time, I advised Sam that he had recourse by law to force us to increase the rate of taxation but I doubted if it had ever been done before or would receive favor from the public . . ."

In closing his statement, Crippen suggested "Warren Jaycees or a comparable organization form a non-partisan committee for a complete investigation of Warren County Courthouse and its many offices"

Mr. Crippen placed his entire statement, of which we have printed excerpts, on the air three times today. Among the list of contributors who paid for the radio time are Robert Clark, Mark Summerson, Carlton Olson, Garner Wilcox, Russell Crippen, Frances Zolko, Barney Robert, Lewis Crippen and Frank Fago.

Turnabout Witness Is Convicted of Perjury

New York (AP)—Turnabout witness Harvey M. Matusow, convicted of perjury in a Communist conspiracy case, faces a possible maximum sentence of 25 years in prison and \$10,000 fine.

Matusow, 29-year-old former Communist who testified for the government in many conspiracy cases, will be sentenced tomorrow by U. S. Judge John F. C. McGohey.

Matusow paled and slumped in his chair with his hands to his eyes as a federal court jury of 10 men and 2 women brought in its guilty verdict late yesterday after 90 minutes of deliberation.

Defense counsel announced plans to appeal.

A vital point in Matusow's 10-day trial concerned his accusations against Roy M. Cohn, formerly an assistant U. S. attorney here and later chief counsel to the U. S. Senate investigating subcommittee when it was headed by Sen. Joseph R. McCarthy (R-Wis.).

Matusow was charged with making false statements in a recanting affidavit he signed Jan. 31, 1955, and with repeating these falsehoods at hearings for the retrial of the 13 Communists.

Promises Priority To Educational Program

Harrisburg (AP)—Gov. Leader said today his administration has given priority to an educational program for "every" child in Pennsylvania.

The governor said in the second of a series of reports on what he termed the "progress and activities of the Democratic administration during the past two years":

"Our children are our most important resources, our greatest source of strength for the future, and this administration is working to develop this power wisely and fully."

Leader cited legislation passed during the 1955-56 Legislature which he said was designed to educate the handicapped, aid construction of school buildings and attract competent teachers to the state.

Nixon outlined his views on segregation at a news conference yesterday in Houston, Tex.

At Kansas City, Kan., last night, speaking about three miles from the Kansas City, Mo., hall where Stevenson was championing the Democratic cause, Nixon called the Democratic nominee's farm program "political demagoguery and fakery."

MOONLIGHT TIME

Some folks have daylight saving time and they think they're pretty smart because they have managed to squeeze another hour of sunlight into the day, but Warren has moonlight saving time. In case you wondered why the day was so bright today, let us put you straight. The sun didn't do it all by himself. Residents who accidentally happened to peer skyward this morning between ten and eleven were amazed to see the moon, partly concealed by a cloud, watching us earthbound creatures curiously. Informed by a telephone call as to this interesting phenomenon, the editorial staff of the Times-Mirror investigated and sure enough, that was real moonshine. Now the question is, was the moon just nosey, wanting to see what goes on in the daytime for a change, or was he just giving Old Sol an assist, to help warm Mother Earth as much as possible before the chilling winter sets in?

Truckers Found Guilty Of Hobbs Act Violation

Pittsburgh (AP)—Three members of Teamsters Local 249 were free on bond today awaiting sentencing after being convicted under the federal Hobbs Act.

The Hobbs Act makes it a crime to interfere with or obstruct interstate commerce. Charges against the trio grew out of violence in a 1955 motor freight strike involving Local 249.

U. S. District Judge Wallace S. Gourley set no date for sentencing after a jury returned the guilty verdicts yesterday.

REFAUVER AT BRADFORD

It is expected a large number of Warren county residents and Democratic leaders will be in the crowd that will give Sen. Estes Kefauver a rousing welcome when he arrives with his entourage at the Bradford airport Friday morning at eleven o'clock for a thirty-minute tour of his campaign tour of the state. In addition to Bradford the party is scheduled to stop at Erie, Altoona, Reading and Williamsport.

COMPANY'S COMING—Virginia Boden, 18 months old, strolls the deserted streets of Solomon Rapids, Kan., waiting for a playmate to arrive. She's the only child in the five-person community, which owes its existence to a grain elevator. Virginia's parents have told her that there's a playmate for her on the way.

GREATEST TEMPLE

The 3,000-year-old Egyptian temple of Amon, greatest of Egyptian temples, was 338 feet wide and 1,228 feet long. There was enough room inside to hold the cathedrals of Milan and Notre Dame plus St. Paul's of London.

LETTERS TO THE EDITOR

RE Lewis Crippen

Lewis Crippen, previous to his acceptance by the Democratic party of Warren, outlined, before the full Democrat committee, an equalized tax program which he said was roughly formulated in his mind, and which, we, as Democrats, found entirely satisfactory. Consequently we worked hard for his election.

To all of the Democrats of the county that were misled by false statements and promises of jobs, we realize the Democratic party has never been very informative, due chiefly to the fact that financially and timewise, it is impossible for two persons in one week to contact 285 people.

Now, the Democratic people of the fifth ward must assume that his election went to his head, because immediately upon winning the office, he presumed that he controlled the entire Democratic committee of the county, and though he was asked, under the rules of the state committee, not to appear at the meetings, he completely ignored the request and decided to try to take control of the Democratic party by force, under the so-called name of Democrats for Democratic Action.

We ask in all decency and respect for those who worked so hard for his election, that Lewis Crippen resign as county commissioner.

Signed by
Ex-committee people
Harry and Violet Bancroft.

Last Thursday a letter from Samuel F. Bonavita, a Warren attorney, was published on the radio and in area papers. Mr. Bonavita directed the statements to the Electorate of Warren County and requested answers from the leadership of the Warren County Democratic organization.

The letter was a direct attack against Lewis Crippen, minority County Commissioner, accusing him of non-performance of duties. Since that time, I have engaged in an investigation of the Commissioner's responsibilities and have formulated a short answer to the charges.

Rather than revealing all the answers myself, I have requested Mr. Crippen, the accused, to speak directly to the people on the radio and through the area newspapers. This he has consented to do.

warrant an answer as the accomplishments of the Warren County Commissioners since Mr. Crippen took office on January 1, 1956 are well known to the County's citizens. Certain of the statements, however, are misleading and could lead to gross misunderstandings if not corrected. It is a public official's responsibility to clear the air when he has been criticized.

It is I believe, quite evident that the County Solicitor, Richard A. Leuthold, has worked closer with the Commissioners' Office than any other attorney. In discussing the matter with Mr. Leuthold he gave me his permission to state that he feels that more has been accomplished in his commissioners' office in the past eight months than in any comparable period of eight years.

Warren County citizens will be well rewarded in listening and reading Mr. Crippen's statement today. The above statement may sound rash and nearly unbelievable but when the facts are revealed I feel certain you will be assured that we have outstanding leadership in Mr. Crippen, and we want him to continue, even as Mr. Bonavita has stated, "To show honesty and integrity," in our Court House.

ROBERT E. CLARK
Co-Chairman Democratic County Committee

THE GEOGRAPHY OF HEART DISEASE—The U.S. Public Health Service suspects where you live affects your chances of getting a coronary heart disease, according to a report recently published. Newsmap above, from PHS data, shows coronary heart disease death rates per 100,000 population in white males and females, based on the 1950 census. Highest death rates among males (305-394 per 100,000) were found in New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Pennsylvania, Delaware and Maryland in the East, California and Nevada in the West. Louisiana was the sole Southern state in the 305-394 incidence group. "High count" states were pretty much the same for women, except Vermont and Illinois were added and Louisiana dropped to the 121-144-per-100,000 rate. New York had the highest rate for males, 393.8 and New Mexico the lowest, 191.7.

Motor Club Board Urges People In Area To Boost Route 6 For Proposed Fed. Highway System

An informal discussion on the situation involving Route 6 and the proposed new Federal Interstate Highway featured the September meeting of the board of governors of the Warren County Motor Club last evening in the cedar room of the Blue & White restaurant.

All present were agreed that Route 6, in spite of the communities that would be by-passed, is the most practical for the Interstate improvement, economically, militarily and from a business standpoint. The community of Warren and residents throughout the area should leave nothing undone to bring pressure to bear on the state and federal officials that would place the highway on the Interstate System, it was agreed. As one member remarked, "Years ago when they talked about bringing a railroad through Warren

everybody got behind the proposal because they were convinced it would be a good thing for all. Route 6 on the Interstate System is just as important, and we should boost it 100 per cent."

It was pointed out that industries will not locate in communities not adjacent to main traveled highways. Every place they have touched you will find boom towns. It was also emphasized that "thruways" cut accidents 50 per cent.

Reports showed that the membership as of August 31 was 3244, as compared to 2935. There were 229 renewals and 33 new members. A total of 71 members received road emergency service in August and 11 out-of-town members. It was reported 25 members of the club received out of town service. Notary service was given 428 members and 57 non-members.

World-Famed Baritone Heads List in Jaycee Concert Series

Heading the list of three outstanding musical attractions in the 1956-1957 Jaycee Concert Series is the baritone William Warfield whom one critic recently stated is one of the greatest artists of this or any other generation. The membership drive for season tickets to the current series is now underway and will end next Tuesday after which no tickets will be sold.

A large citizens committee along with Jaycee members are selling the season memberships which are \$6.00 for adults and \$3.50 for students. The tickets will also be on sale at Bickarcks Music House or can be reserved by calling 2587 tomorrow or Monday.

Not only has Warfield established himself as one of the foremost artists on the concert stage today—in recital, with the major symphony orchestras and oratorio societies of the land—but he has been just as successful and just as popular in other fields of entertainment. In the movies, he played Joe in the MGM production of "Showboat," singing "Ole Man River," and he is scheduled to appear in "Huckleberry Finn" with Jenny Kaye and Gene Kelly when that picture goes into production. He is known to television viewers and radio audiences through his countless guest appearances on such top-rated shows as Ed Sullivan's "Toast of the Town," the

Milton Berle Show, "Cavalcade of Stars," the Colgate Comedy Hour, the Bell Telephone Hour, Voice of

Firestone, the Lux Theatre, and so on. He has sung on Broadway and on the road in the musical shows, "Call Me Mister," "Regina," and "Set My People Free." And he will be identified for many years to come with the role of Porgy in "Porgy and Bess," the revival of which Gershwin folk opera played on Broadway all over the United States, and then was presented in France, England, Austria and Germany.

During the very infrequent free moments Warfield can find during his sold-out concert tours and other engagements, he has managed to make four record albums for Columbia Masterworks.

Other attractions engaged for this season are the Singing Boys of Norway and the piano virtuoso Boris Goldovsky. Individual tickets to separate concerts are never sold and only season members will be admitted to the programs. No memberships will be sold after next Tuesday.

hung fruits and vegetables from the roof, which show the harvest thanksgiving character of the Succoth festival. Rabbi Ackerman conducts children's Succoth services.

Succoth, the "Feast of Tabernacles", sometimes called the "Feast of Booths", is based on Leviticus 23:42, "Ye shall dwell in booths seven days; that your generations may know that I made the children of Israel to dwell in booths, when I brought them out of the land of Egypt; I am the Lord your God."

This festival lasts for nine days, during which many Jews have their meals in the succah.

Rabbi Ackerman is holding a bright yellow citron (a lemon-like fruit of the Holy Land), and a long green palm branch. The citron (ethrog) and palm branch (lulav) are waved to and fro during part of the service to show that God is found everywhere. This ceremony is based on Leviticus 23:40, "And Ye shall take you on the first day the fruit of godly trees, branches of palm-trees, and boughs of thick trees and willows of the brook, and ye shall rejoice before the Lord your God seven days".

The final, or ninth day, of the holiday is called Simbot Torah (the day of rejoicing in the Torah). Simbot Torah services will be held this year Thursday evening, September 27, and Friday September 28, at Congregation Tiphereth Israel, conducted by Rabbi Ackerman.

Thursday evening will be a very gay and joyful occasion when the whole congregation will assemble to watch the procession in which the sacred scrolls of the Bible will be carried around the synagogue. The children will also take part in the march, carrying banners and lighted candles. The next morning, September 28, another procession will take place. Simbot Torah celebrates the end of the year's reading of the Torah, the first five books of the Bible; therefore, on Friday morning, the year's scripture reading is begun anew with the first chapter of Genesis.

Hospital Report For August Shows Babies Are Booming

Babies Are Booming. In Warren General Hospital during the month of August, 88 of the little ones arrived, largest number in memory. The record included 48 boys and 40 girls, bringing the total to date since July 1st of this year to 215.

Previous high according to Miss Carolyn Plush, supervisor of obstetrics, was 83 in a single month and that was during a freak 30-day period several years ago.

In August of last year, 63 babies were born. So far this September, 70 deliveries have been made, including one set of twins to the Taylors of Marienville. With another mother reported in active labor this afternoon the total was expected to rise momentarily.

Hospital administrator Joseph A. Williamson noted that the bumper crop of babies is just part of an increasing hospital population. Percentage of occupancy during this August (ordinarily one of the quietest months) was 83.9, compared to the overall annual occupancy average of 60.3 last year.

Reason for the unusually large number of births last month could not be readily determined. However, one informed source noted that a bumper crop of babies had arrived in North Dakota some time ago. The cause was finally traced to a new railroad scheduling which sent a long, loud wail over the countryside at 3 a. m. It presumably woke people up.

THE RED CROSS BLOOD PROGRAM

When the Red Cross Bloodmobile visits Youngsville October 10, 11:00 a. m. to 5:00 p. m., the Methodist church will be a center for donors from the entire northwestern end of Warren county. While it will be appreciated if residents can schedule visits in advance, drop-ins are welcome at any time.

It has long been evident that many persons do not understand the Blood Program's operation, and Times-Mirror readers will find in this column the next few days some explanations which may help to clear up some of the many misunderstandings.

Those who do not understand may be in a position where others value their opinions and expect them to have at least a working knowledge of a project as important as this. Literature has been distributed and publicity written, so that everyone may be well informed, but rumors reported and replies received indicate many have still not been reached.

The individual may feel his opinions are not important, yet there may be others who are greatly influenced by the views he expresses. Red Cross officials and workers feel it is the duty of every citizen to know what he is talking about before he sits in judgment on a program so vital to all.

One of the biggest errors expressed is that blood is "sold." This is never the case and anyone who knows of an instance where it is supposed to have happened is asked to call Red Cross headquarters. Several such reports have already been tracked down and found invalid.

There is a charge made for processing, at the time of a transfusion, but this has no connection with the Blood Program. Even though you may be giving blood to some member of your own family, this fee will still be charged.

In some instances, persons talking about "paying for blood" or replacing blood are familiar with and are referring to the program in areas not covered by the Red Cross program.

One such case is Erie, where the hospitals have their own Blood Bank. Any blood bought or replaced there is not Red Cross blood. Those who live in an area not covered by the Red Cross program are asked to buy the blood or replace it with two pints for every one used.

However, in any area covered by the Red Cross, there is no charge if you received such blood in Warren, Jamestown, or any

place Red Cross blood is used, there is no charge; if you receive it in an area not so covered, you must tell them you are from a covered area and they will get a reallocation of blood from the Area Blood Bank.

In some instances where the patient did not know this service was available to him, he had already paid for the blood and received a refund when it was properly reported.

However, less red tape is involved if the patient asks for a reallocation at the time he is billed, rather than to make the payment and go through the refund procedure. Blood has been re-allocated for Warren county residents as far away as Florida and some of the distant western states.

Just the privilege of living in an area covered by the Red Cross program is important to every individual and all are urged to see that enough blood is received during each visit of the mobile equipment to keep the Bloodmobile coming to Warren and its county communities.

(Note: In a second article, the writer will take up the matter of who is eligible to be a blood donor).

Callers at the home of Mr. and Mrs. Allan Seamans have included

THEY'RE "SHUDDER" BUGS TO RANGERS—This bear is a native of Allegheny State Park at Red House, N.Y., but the shutter bug is a form of wild—and foolish—life which flourishes wherever Bruin makes his appearance along the tourist routes of the nation. Hairied park rangers point out that there is no such animal as a "tame" bear. He is a wild animal who has temporarily had his fear of man numbed by close association. Spurred by the instinct to fatten up for winter's long hibernation, he's out in numbers, mooching meals where it's easiest to find them. A sudden move—an incident of any kind which startles him—can bring a limb-breaking swipe from a razor-clawed paw. He's not vicious. He's just being himself. If you're touring this fall, remember: When you see Bruin, trouble's brewing. Stay in your car.

SUGAR GROVE

Sugar Grove—Mrs. Conrad Youngberg will be hostess to Try Company of the Presbyterian church Monday evening, instead of the usual Tuesday meeting night.

Mrs. Bob Johnson and daughter, Judy, of Erie, spent Monday with her parents, Mr. and Mrs. Ralph Abbott, helping the latter celebrate her birthday anniversary. Little Judy had the misfortune to fall and fracture her elbow.

SPORTS NEWS

Red Leaf Rally Expected To Be Bigger Than Ever

Fourth Annual Red Leaf Rally, one of the largest sports car navigational events in the country, will be staged in and about the fall splendor of Allegheny National Forest on Sunday, October 7.

The 150-member Auto Sports Club, Inc. of Warren is again sponsor of the rally.

An entry list of over 200 cars, some rallying to Red Leaf from as far afield as Fort Knox, Ky., is expected to wind over a circuitous route of secondary roads, passing checkpoints along a prescribed path within seconds of a given time or being docked a point for each 60th of a minute off.

Sports cars with driver and navigator will leave Wilder Field beginning at noon EST (1 o'clock Daylight Time) and continue to be checked away at half minute intervals thereafter. Just prior to starting each team of navigator and driver will be given a list of routes to be taken and average speeds at which they should cover certain portions of the rally area. (It is pointed out that a rally is definitely not a race but instead a test of being able to follow a route accurately and in the time prescribed. All roadways have been carefully plotted and timed in advance. Any traffic or speed violation observed by police or committee member will result in the immediate disqualification of the offending car.)

Numerous checkpoints along the route will deduct a point for each second ahead or behind at which a car passes. The hidden checkpoints will be in constant shortwave radio contact with a central control booth to keep tabs on the entire event.

Red Leaf Rally will wind up at Marconi Outing Club for the annual banquet and awarding of trophies. Honored guests will be Judge and Mrs. Alexander C. Flick and Sgt. Donald Holmes, head of Warren State Troopers substation.

Sid Blackman and Hank Dahl of Warren have mapped out the Red Leaf route. The two men are co-owners of Keystone Garage, which, in addition to its American car sales and service, is a mecca for sportscar owners from a wide area.

Entries will begin to assemble at Wilder Field about 10 a. m. Sunday. United Refinery will furnish each car with a tankful of Keystone Power Fuel. Auto Sports Club, Inc. will furnish coffee and donuts.

Sports cars are expected to compete from such farflung points as Toronto, and St. Catherine's Canada; Buffalo, Youngstown, Pittsburgh and Montrose. Six more sport car enthusiasts have already notified local members that they will hold a rally of their own from Fort Knox, Ky., which will terminate in Warren in time for Red Leaf. Another rallying group of about 65 is expected to drive in from the Cleveland-Akron-Dayton area.

Several nationally known sports-car race drivers met by local fans at various races are expected to be on hand. Also helping will be R. C. Cron of Titusville, president of Auto Sport Club, Inc. and a one-time famous name in international power boat racing.

Mrs. Sidney Blackman and chief timer and scorer, R. Arthur De Meyere of Jamestown will man the central control booth. Among those marshalling the cars at the starting point will be Anne Blackman, Rocky Shell, Doty McGarry, Bill Harvey and Mr. P. F. "Pappy" Dinger. Bob Garrison and Pete Eaton will be two more local men at vantagepoint checkpoints. Dino Pace is in charge of morning refreshments and also dinner arrangements at Marconi Outing Club after the rally.

Winners last year were driver William Miller and navigator William Roberts, both of Westfield, N. Y.

Sealed bids will be received by the Commissioners of Warren County, Commissioners of the Rouse Estate, at their office in the Court House, Warren, Pennsylvania, on Monday, October 1, 1956, at 11:00 o'clock, a. m., for the construction of a steel, patient and personnel ramp at the Rouse Hospital, Youngsville, Pennsylvania. Bid forms and specifications are available at the commissioners' said office.

Demand for U.S. Savings Bonds Is On the Increase

People in Pennsylvania purchased more than 300 million dollars worth of Series E and H United States Savings Bonds from January 1 through August 31, 1956.

Charles S. Krumme, well known Philadelphia banker and recently appointed Savings Bonds Chairman for Pennsylvania, in disclosing the figure said that this was sixty-four per cent of the State's quota for the year.

"More and more people now realize that a part of every family's personal funds and savings belong in U. S. Savings Bonds," declared Krumme.

"Whether your income is seemingly high or comparatively low you should place a part of your savings or reserves in U. S. Savings Bonds—there is no safer investment in the world," he added.

An average of approximately 35 million dollars worth of U. S. Savings Bonds are bought each month by the people of this state. Figures for the month of August were more than 35 million.

"These figures mean that a vast number of people in all parts of the state, in every income bracket, buy Savings Bonds regularly through the Payroll Savings Plan where they work or the Bond-A-Month Plan at their banks," Krumme said.

Harry W. Conarro, Chairman, U. S. Savings Bonds Committee for Warren County, announced that the people of Warren County had purchased \$119,893 worth during August.

CLARENDON

Clarendon—Mr. and Mrs. Fred Bauer motored to Erie to witness the graduation of their daughter, Mary, at Millard Fillmore Hospital. Doris Bauer, Pittsburgh, was also present for her sister's commencement.

Friends of Ed Sleeman are glad to know he is able to be home again after having been a patient in Temple University Hospital for some time.

Local members are urged to attend the Jamestown District conference to be held in Corry Methodist church October 4, joining with the Meadville District in its program of promotion.

Mr. and Mrs. M. E. Hotchkiss, Saegertown, has been a guest at the George Seavy home. Guests of Mr. Seavy and Mrs. Mabel Sharp for the weekend were Mr. and Mrs. D. N. Sharp, Mr. and Mrs. William Cron, Mr. and Mrs. Hugh Miles, Titusville.

Rally Day and World Wide Communion Sunday will be observed in the local Methodist church October 7.

True Blue Sunday School Class of the EUB church enjoyed a picnic at Warr-Penn. Following dinner, the business meeting was held at the church by President Ann Lutes. Plans for the future were made, including the next meeting at the Lutes home, when a Bible study course will be started.

3 HINTS FOR PIE MAKING

1. Your pie crusts won't shrink if you tuck the upper edge of your pastry dough under the lower edge. When pie pastry is sealed together, juices can't escape.

2. Sticky pie juice ever drip into your oven? To prevent that, insert a small foil cone into the top of your pie. Cone will funnel juices, keep them from dripping.

3. Be sure to use quick-dissolving sugar in your pie filling. Jack Frost—the original quick-dissolving sugar—blends easily with your other ingredients.
